

# Home Builders Association of St. Louis & Eastern Missouri Awards Program

## Homes of the Year – *Interior Design Project of the Year*

### Deadline

All entries must be submitted online no later than 5 p.m. on Feb. 3, 2023. After this time, entries are subject to a \$25 late fee per entry.

### Cost

The entry fee for a Homes of the Year submission is \$90. Companies will be invoiced by the HBA for submitted entries. No refunds will be given.

### Eligibility

- Your employer must be a member of the Home Builders Association of St. Louis and Eastern Missouri.
- Entries must have been completed between January 2022 and December 2022.

### Judging

Homes of the Year submissions are judged on a 100-point system. Should the situation occur where there is only one entry in a Homes of the Year category, 70 points would qualify as a winning entry without competition. The HBA reserves the right to eliminate any category due to insufficient entries or where the quality of work does not warrant a winner. The HBA also reserves the right to combine or expand categories based on number of entries received. There are no ties in a category. A definitive winner will be picked by the judges.

Judges will consider the appropriateness of the interior design project as it relates to the homeowner's expectations and desires in the following areas: concept (20 points), creativity (15 points), wall/window treatments (10 points), fixtures (lighting, plumbing, etc.) (10 points), impact of furniture/accessories (10 points), materials (10 points), utilization of interior design budget (10 points) and homeowner testimonial (15 points).

Entries are categorized by project (example: main living space, outdoor living space, homeowner suite, etc.), as well as project budget.
